Progress reports were available on the Parish Council web-site.
17. **Procedure for reporting highways and associated issues:** it was agreed that in future Councillors should on a monthly basis send the Clerk a report of work required in the roads they were allocated for planning purposes. Councillors should include their home road for this task and were not precluded from reporting concerns in other roads outside their allocation. On receipt of reports the Clerk would ask the appropriate body (BCC, CDC, Spruced-Up) to carry out remedial work.
18. **Reports (as appropriate) from outside bodies:** (i) *Library* – Cllr Hunt was delighted to report that the library volunteers had been awarded the Queen's Award for Voluntary Service. The recent AGM had been well attended. (ii) *Village Hall Management Committee*- Cllr Drew reported that the committee had met on 6 June and had reviewed its terms of reference. It had been agreed that these should be retained with one change, namely, that in future the AGM should be held in October. A date had been set for Wednesday 5 October 2011 at 6pm. The Parish Council were invited to attend.
19. **NAG Review Meeting 8 June 2011: Update** – Earlier that day Cllr Drew, Cllr Smith, the Clerk and Mr P Mickle from the LCCA had met with Sergeant Mutch and Constable Eatwell from Amersham Police Station Community Policing Team. This meeting had been in response to the 18 February letter sent from the Clerk to Sgt Mutch about the future of the Neighbourhood Action Group. They had discussed the previous operation of the NAG and the future of police and community liaison in Little Chalfont. Cllr Smith reported that it had been agreed that there would no longer be a NAG and a new forum for discussing Little Chalfont's concerns with the local neighbourhood team would be established. This would be an amalgam of Parish Council, LCCA members and the neighbourhood team and would respond to extant issues or those coming up. Members would have a direct line of communication with the police and meetings would be held as required. In the past encouraging results had been achieved on anti-social behaviour and graffiti, for example, and this had been achieved not through the NAG but direct communication with the police. The new system would build on this model giving a flexible and more efficient method of liaison. A protocol would be drawn up setting out how the new arrangements would work and regular reports would be made to the Council. The Council welcomed and supported this approach.
20. **High Speed Rail:** *As agreed at the 11 May meeting to receive and comment on the first draft of the Parish Council's response to the public consultation* – Cllr Smith had previously circulated a first draft of a suggested response and chose to withdraw from the meeting at this stage. There followed a discussion of the draft and it was clear that the Council was not agreed on a common response to the consultation although all

present did agree with the points made in response to questions 5 and 7. It was decided to discuss the response further at the 13 July meeting when it might be necessary to agree to send a minority and a majority response. In conclusion, Cllr Drew asked that thanks to Cllr Smith be recorded in the minutes for his detailed work in preparing the draft.

22. Any Other Business: Amendments to Core Strategy following Examination in Public – further to his e-mail of that afternoon, Cllr Drew confirmed that a revised version of the core strategy was now available on CDC’s web-site. With the e-mail he had attached a draft leaflet advising residents of the impact of the revisions and next steps in the process. He hoped this could be sent out jointly from the LCCA and the Parish Council (subject to minor changes). It was agreed that the Clerk should liaise with the Treasurer of LCCA about possibly sharing the cost of printing. She would report back to the next meeting with costings and approval would be sought for the expenditure.

23. Date of next meeting: Next scheduled meeting is Wednesday 13 July 2011 at 7.30pm. There will be an extraordinary meeting of the Council after the Planning Committee meeting on 28 June (approximately 8.30pm) to consider the co-option of a councillor to fill the vacancy following the 5 May elections in Little Chalfont South. There will also be an informal meeting for Councillors and candidate(s) for co-option at 7.15pm prior to the Planning meeting.
